### **Buttermilk Waffles**

Makes 6 waffles.

These crisp, flavorful waffles can be served for a quick meal any time of the day. Serve them with Sweetened Cream Cheese, nuts, and berries for an alternative to butter and syrup.

2 cups all-purpose flour  
1 tablespoon baking powder  
1 teaspoon baking soda  
1/2 teaspoon salt  
1 tablespoon sugar  
3 large eggs  
1-3/4 cups buttermilk  
1/2 cup melted butter or margarine  
Nuts and fresh berries for topping  
Sweetened Cream Cheese for topping (recipe follows)

Preheat waffle iron and spray lightly with oil. In a large bowl, combine flour, baking powder, baking soda, salt, and sugar. In a medium bowl, whisk together eggs, buttermilk, and melted butter. Add to dry ingredients and stir until well blended. Pour 3/4 cup batter onto the hot waffle iron. Close lid and bake until steam stops and waffle is lightly browned and crisp, 3 to 4 minutes. Remove waffle and repeat with remaining batter. Spoon a little Sweetened Cream Cheese on top of each waffle. Sprinkle with nuts and berries.

### **Sweetened Cream Cheese**

Makes about 1 cup.

8 ounces cream cheese, at room temperature, cut up  
1/4 cup confectioner's sugar

Blend cream cheese and sugar in a food processor.
