Black Forest Cheesecake

Serves 10 to 12

Black Forest cake has been around for years, but it may be even better as a cheesecake, rich with chocolate and topped with cherries.

Preheat oven to 350°F (180°C)

9-inch (23 cm) cheesecake pan, ungreased, or springform pan with 3-inch (7.5 cm) sides, greased

CRUST:

1-1/4 cups chocolate sandwich cookie crumbs	300 ml
3 tbsp unsalted butter	45 ml

FILLING:

2 packages cream cheese (8 oz/250g each)	2
2/3 cups granulated sugar	300 ml
2 eggs	2
6 oz semi-sweet chocolate, melted and cooled	175 g
1 tsp vanilla extract	5 ml

DECORATION:

Classic Whipped Cream Topping (See below)	
1 can (21 oz/645 ml) cherry pie filling	1

1. **Crust:** In a bowl, combine cookie crumbs and butter. Press into bottom of cheesecake pan and freeze.

2. **Filling:** In a mixer bowl fitted with paddle attachment, beat cream cheese and sugar on medium-high speed until very smooth, for 3 minutes. Add eggs, one at a time, beating after each addition. With the mixer running, pour in melted chocolate in a steady stream. Mix in vanilla.

3. Pour over frozen crust, smoothing out to sides of pan. Bake in preheated oven until top is light brown and center has a slight jiggle to it, 35 to 45 minutes. Let cool in pan on a wire rack for 2 hours. Cover with plastic wrap and refrigerate for at least 6 hours before decorating or serving.

4. **Decoration:** Pipe rosettes around top of cake with Classic Whipped Cream Topping. Fill center with cherry pie filling

Black Forest Cheesecake, (continued)

Tips:

Make sure the melted chocolate has cooled slightly before adding it to the batter; otherwise, the cake will have chocolate chunks.

Variation:

For a stunning visual and taste sensation, cut fresh cherries in half and place them cut side down on top of the cheesecake in place of the pie filling.

Classic Whipped Cream Topping

Makes about 1 cup (250 ml)

1/2 cup whipping (35%) cream	125 ml
2 tbsp granulated sugar	25 ml

1. In a well-chilled bowl fitted with the whip attachment, whip cream on medium-high speed until soft peaks form. With the mixer running, sprinkle with sugar and whip until firm peaks form.
2. Pipe a ribbon or rosettes around the border of the cheesecake or ice the entire top.
