### **Seasonal Crisp with Mixed Stone Fruits**

Makes 8 servings

Choose your own flavors with whatever fruits are in season: Combine peaches and plums, apricots and nectarines, apricots and plumcots, peaches and cherries, or any two stone fruits. Serve with yogurt, custard, or sour cream sweetened with honey.

1 cup sifted all-purpose flour  
1/2 cup firmly packed brown sugar  
1/2 teaspoon ground cinnamon  
1/2 teaspoon ground ginger  
1/2 teaspoon nutmeg  
6 tablespoons butter, sliced, and chilled  
3 pounds stone fruits of your choice, pitted and sliced (about 6 cups sliced)  
1/2 cup granulated sugar

1. Preheat the oven to 375°F.
2. Mix the flour, brown sugar, cinnamon, ginger, and nutmeg in a medium-sized mixing bowl. Cut in the butter with a pastry blender or knife until the mixture forms large crumbs.
3. Toss the fruits with the granulated sugar in a 2.5 –3 quart baking dish and spoon the flour mixture over the top.
4. Bake in the middle of the oven for 40 minutes, or until golden.
