Slow-Cooker Chicken Enchilada Soup

Serves 6

Call me lazy, but I love a meal that can pretty much cook itself. I also love turning classic meals into a hearty bowl of soup, and the slow cooker allows me to do both. For this dish, I took my standard chicken enchilada recipe and threw the ingredients into a slow cooker. What emerged a few hours later was this delicious, chunky soup that I topped with cheese, scallions, cilantro, and avocado. If I don't have avocado, I add a touch of light sour cream or crushed chips on top. It's everything I love about enchiladas in one neat bowl!

SOUP:

2 teaspoons olive oil
 1/2 cup chopped onion
 3 garlic cloves, minced
 3 cups Swanson 33% less sodium chicken broth*
 1 (8-ounce) can tomato sauce
 1 to 2 teaspoons chipotle chile in adobo sauce, chopped
 1/4 cup chopped fresh cilantro
 1 (15-ounce) can low-sodium black beans, rinsed and drained
 1 (14.5-ounce) can petite diced tomatoes
 2 cups frozen corn kernels
 1 teaspoon ground cumin, plus more to taste
 1/2 teaspoon dried oregano
 1 pound boneless, skinless chicken breasts

TOPPINGS:

3/4 cup shredded reduced-fat cheddar cheese
 1/4 cup chopped scallions
 1/4 cup chopped fresh cilantro
 1 medium (4 ounces) Hass avocado, slice
 6 tablespoons reduced-fat sour cream (optional)

**Read the label to be sure this product is gluten-free.*

For the soup: In a medium nonstick skillet, heat the oil over medium heat. Add the onion and garlic and cook, stirring, until soft, about 3 minutes. Add to the slow-cooker along with the broth, tomato sauce, chipotle in adobo, cilantro, beans, tomatoes, corn, cumin, and oregano. Add the chicken breasts. Cover and cook on low for 4 to 6 hours.
