### **Parmesan Potatoes**

*Serves 4*

These colorful one-bite, savory potatoes complement a steakhouse dinner wonderfully! Wrapped in a neat and compact foil packet, it couldn't be easier to cook these potatoes right on the grill.

#### ***Ingredients:***

1/4 cup mayonnaise  
1/3 cup grated Parmesan cheese  
2 garlic cloves, minced  
1 teaspoon rosemary, minced finely  
1/2 teaspoon Kosher salt  
1/2 teaspoon freshly ground black pepper  
2 lbs tiny (one-bite) potatoes, cut into 1/4-inch slices  
1 small shallot, sliced and separated into rings  
2 tablespoons butter

#### ***Directions:***

1. Mix all of the ingredients together in a large bowl, and then pat into a single layer inside a double layer of foil (or even triple-layer!). Fold the foil together until a neat packet, well-sealed is formed.
2. Grill the potato packet with indirect heat for 30-35 minutes. Carefully flip and rotate the packet occasionally while grilling until potatoes are fork tender.
